## THE HOSPITAL FOR EPILEPTICS

The General Board, in Session in  
Lynchburg, Discuss Its  
Location.

## TO SECURE WATER SUPPLY

(Special to The Times-Dispatch.)  
LYNCHBURG, VA., October 12.—Nine members of the General Hospital Board of the State, including Dr. L. W. Kane, of Williamsburg, State Commissioner of Hospitals, Messrs. B. D. Case, of Williamsburg, George C. Bond, of King and Queen, Robert Gilman, of Petersburg, J. S. Johnson, of Sussex county, John G. O'Connor, of Bedford, James L. Trevelyan, of Albemarle, E. H. Houshagh, of Winchester, and Major Telford, of Roanoke, met in this city today for the purpose of considering plans for the erection of the proposed hospital for epileptics on the land secured for that purpose by the late S. R. Markland, in Amherst county.

The board considered many matters pertaining to the location of the hospital, but finally decided to defer the whole matter until an adequate water supply can be found for the hospital. A report will be made at a meeting to be held at Williamsburg on November 21st.

In the Police Court this morning, G. G. Morgan, who, a few days ago, pleaded guilty to being the owner of the gambling resort which was raided by the police on the night of October 10, was fined \$100 and given three months in the city jail. However, on the promise of the accused to leave the city within a week, he was serving twenty-four hours and not to return here again under any circumstances. He will be released to-morrow after the twenty-four hours will have elapsed. The fine was paid by Morgan.

Following this, R. T. Bell pleaded guilty to carrying in the play on the night of the raid and he was fined \$50 on the charge of subverting gambling.

In assessing this fine, which is specified by a section of the Code, Mayor Smith stated that he would certify the bond given by Bell in September to refrain from carrying at gambling in the jurisdiction of the court for twelve months. There the judge of the court and the Commonwealth's Attorney will have the final disposition of the matter.

DR. PRIDDY ELECTED.  
Made Superintendent at Marion.  
Epileptic Hospital.

(Special to The Times-Dispatch.)  
STANTON, VA., October 12.—The General Board of Hospitals of the State met at the Western State Hospital yesterday. There were seven members present for the purpose of electing a superintendent for the Southern Hospital at Marion before the General Board of Hospitals here yesterday. Dr. A. S. Priddy, of Bristol, received nine votes and was elected.

Discussing the proposed epileptic colony, Dr. DeJarnette says there are about three hundred epileptics in the several hospitals of the State, and estimates that an appropriation of \$60,000 would be needed to prepare proper quarters for them, whereas the Legislature has only appropriated \$25,000. He advises that an attempt should not be made at once to provide accommodations for all these, but that provision be made for fifty to seventy-five each year, taking the best instances of epileptics first, and with their labor reduce the cost of preparing for the others.

## POLICE MURDER AROUSSES ROANOKE

Mayor Sends Message to Board  
of Aldermen Calling Attention  
to Frequent Murders.

## EVERY NEGRO GOES ARMED

(Special to Southern Bell Telephone.)  
ROANOKE, VA., October 12.—The murder of Officer R. M. Board, a brave and long-remembered policeman, by a negro named John Hardy early this morning, was a shock to the entire city. The negro murderer joined in fight four other negro murderers that have disappeared from the city after committing crimes that will take them to the gallows. Officer Board had gone with Officers Trout and Hancock to look for thieves, and was shot by Hardy, who was saying with a negro woman named Minnie Patterson. Officer Hancock came on to the police station, this morning with the negro woman, and reported the murder. Chief Dyer was aroused and sent telegrams all over the line of the Norfolk and Western Railway before dawn. Coroner Lewis was notified, and summoned a jury to meet at 3 P. M. today at 3 P. M. place, where they viewed the body and then went to the police station, where they heard the evidence.

Officers Board and Hancock went to the old Allegheny machine building in search of Charles Turner, a notorious criminal. They knocked at the door, but it was some time before it was opened. Hardy and the colored woman were in the room. While they were putting on their clothing, Officer Board told the other policeman to go out and search for the party they wanted. They went out and then heard three shots, and saw the negro man run out of the door. They fired at him as he went down the steps, but he escaped. They went back to Officer Board, who had dropped down in the hall. They had not been out of the room a minute.

The jury returned a verdict in accordance with the above facts. The dead man was about fifty years of age, and a native of Franklin county. He was a member of Lakeland Lodge of Masons. He leaves a wife and eight children, the eldest fourteen, the youngest six weeks of age. He served nine years on the police force, and there was not a single report against him during that time.

It is stated by negroes to-day that Hardy had committed a murder in West Virginia, and it is thought that that accounted for his shooting Officer Board, thinking he was after him on that charge.

The Board of Aldermen to-night received a message from the Mayor, in which he says human life seemed to be held in little esteem in Roanoke, and the negroes were adding in the escape of criminals. He says the state of affairs in the city is alarming, and that every negro is armed.

The Board of Aldermen offered a reward of \$250 for the capture of the murderer. The Governor has been asked to supplement this. The Board of Aldermen also offered \$100 reward each for the capture of Alexander Perkins, who killed Rose Lucas, and Stewart Straw, who killed Pierce Moore.

## LOWEST RECORD FOR OCTOBER

The Temperature Record in Buck-  
ingham and Wytheville Twen-  
ty-Two Degrees.

## FOREST TREES ARE BLIGHTED

(Special to The Times-Dispatch.)  
ARVONIA, VA., October 12.—Last night was by far the coldest night of the present fall, the thermometer minimum thermometer here registering 22 degrees. Yes, today morning the thermometer registered 29 degrees. The result of the two nights' frost is the complete drying up of all remaining garden vegetation and of the blighting of the forest trees, nearly a quarter of an inch thick. The frost lay on the ground in shady places until nearly noon.

At Wytheville.  
(Special to The Times-Dispatch.)  
WYTHEVILLE, VA., October 12.—Last night was the coldest weather for this season ever recorded here, the government thermometer registering 22.

In Charlotte.  
(Special to The Times-Dispatch.)  
CHARLOTTE, N. C., October 12.—While attempting to jump on a moving freight train at the Jones and Saunders Street crossing of the Seaboard Air Line Railroad today, Master Earl Cutts, the twelve-year-old son of Mr. C. S. Cutts, fell under the car and had his left foot cut off. He is doing as well as could be expected.

## THE DAUGHTERS OF TWO STATES

Virginia U. D. C. Fully Sustain  
the Dabney Maury Chapter,  
of Philadelphia.

## WILL BE AT JAMESTOWN

(Special to The Times-Dispatch.)  
WYTHEVILLE, VA., October 12.—The third day's session of the Virginia Division, United Daughters of the Confederacy, was commenced by continuation of the roll call of chapters not completed yesterday. The result of these reports show a very gratifying interest in the order. The report of Mrs. Maudlin Duer, president of General Dabney H. Maury Chapter, of Philadelphia, the chapter over which the controversy arose, which was discussed in the president's address and previously mentioned in this correspondence, deserves more than a passing notice.

Mrs. Duer's report, much of it extemporaneous, but substantiated by correspondence, is a masterly and convincing argument in favor of the regularity and validity of the General Dabney H. Maury Chapter, and the invalidity of the Philadelphia chapter, which purports to owe its existence to a charter granted by the president of the United Daughters of the Confederacy, independently of the action of the Virginia Division as provided in the constitution.

The convention, by a rising and unanimous vote, again declared the General Dabney H. Maury Chapter a legal and existing organization, entitled to all of the rights and privileges as such, and in effect again sustained the president in her ruling on the subject.

The convention, after disposing of the reports from the chapters, took up the question of representation at the Jamestown Exposition, and, after full discussion of the subject, unanimously decided in favor of representation, and Mrs. Norman V. Randolph was appointed secretary of the Jamestown board.

The literary meeting Thursday evening at the Opera House was open to the public, and was well attended.

## YOU DIED TAPS OVER COMRADES

A. P. Hill Camp Lays to Rest  
Two of Its Well-Known  
Members.

## BOY STRUCK BY ELECTRIC CAR

(Special to The Times-Dispatch.)  
PETERSBURG, VA., October 12.—A. P. Hill Camp to-day sounded taps over the graves of two of its honored members—Charles H. Alley and Robert Bruce Shelburne. The funeral of Mr. Alley took place from St. John's Episcopal Church. Mr. Shelburne's funeral took place from the Washington Street Methodist Church, and was conducted with pomp and Masonic honors. Mr. Shelburne having been a member of several lodges.

Sewell Smith, a white boy about ten years old, was struck by an electric car on the Richmond and Petersburg interurban line this morning, but was not seriously injured, and is at the Hospital for the Sick, where he is being attended by Dr. J. Gordon Rennie, physician to the Virginia Passenger and Power Company.

The Woman's Foreign Missionary Society of the Virginia Methodist Conference will meet in annual session next Tuesday night at Market Street Methodist Church. Miss Pearl Young will deliver the address of welcome. The annual sermon will be preached by Rev. J. B. Winn.

Petersburg Company, No. 16, Uniform Rank, Knights of Pythias, will leave Saturday night for New Orleans to attend the meeting of the Pythian Supreme Lodge. Major A. B. Massey will be in command of the company.

A peanut during months has been invented and patented by George W. Williams and son, of Newville, Prince George county, and is said to have given excellent proof of its value at a recent trial at Annapolis, now being in great demand among peanut planters in that section.

**LOWNEY'S  
BREAKFAST  
COCOA**

Cocoa beans grow in pods on the trunk and limbs of a delicate tropical tree. They contain six times more food value than beef.

We use the highest cost beans that are grown and there is nothing in our cocoa but cocoa.

That is why it is the most delicious of cocoas.
